Dear Provider,

I understand that there is currently a need for Medicaid providers in your area, and I have a great reference for you. I have known Holly FitzGerald, a licensed clinical social worker, since 1990 and cannot say enough positive things about her. She is an excellent counselor and treats patients for all mental issues including depression, anxiety, bereavement and any changes in life issues. She has expertise with all ages on an individual basis, as well as couples and families. She has an outpatient practice in her home since 1989.

She is a directly enrolled preferred provider for Medicaid, Medicare, Cigna, Blue Cross Blue Shield and is available for out of network benefits for other payers. Her contact information for referrals is as follows:

---

Telephone: 919-942-4778  
Address: 213 Oxford Hills Drive,  
Chapel Hill, NC 27514.

---

If more comfortable, the patient may also contact her directly. Holly's web address is: [www.hollyfitzgerald.com](http://www.hollyfitzgerald.com).

Please forward this letter and enclosed cards to your referral coordinator. Holly would also be happy to visit the practice to meet the physicians and answer any questions.

I thank you for your time and feel confident that Holly will be a useful referral resource for you and your patients.

Sincerely,

Susan Childs, FACMPE
