I am sending you this letter to recommend my colleague and friend Holly FitzGerald, a licensed clinical social worker. I have sent patients to Holly and have been impressed with her knowledge and gentle therapeutic work with clients dealing with depression, anxiety, family conflict, and end-of-life issues. She has experience in treating individuals, couples, and families. She has had an outpatient practice in her home since 1989.

Holly's a directly enrolled preferred provider for Medicaid, Medicare, Cigna, and Blue Cross Blue Shield. Her contact information for referrals is as follows:

Email:	hf@mindspring.com
Telephone:	919-942-4778
Address:	213 Oxford Hills Drive, Chapel Hill, NC 27514.
Web site:	www.hollyfitzgerald.com.

The patient may also contact her directly. For your convenience, I have included some of her cards. I think you and your patients would be very pleased with her work. Please call 933-0930 if you have questions for me.

Cordially,

Martha Henderson, GNP
Former faculty member in Gen Med and Program on Aging
