To Whom It May Concern:

As you know, there is currently a shortage of licensed clinical social workers that will accept Medicaid insurance. I would like you to know that Holly FitzGerald, a personal friends and a past colleague of mine at the Department of Aging is currently accepting new patients. Holly is a directly enrolled preferred provider for Medicaid, Medicare, Cigna and Blue Cross Blue Shield. Holly is an excellent clinician and treats patients for all mental health issues. She treats individuals, couples, and families and is also a trained mediator. She has had a successful practice since 1989 in Chapel Hill.

Her contact information is as follows:

213 Oxford Hills Drive,
Chapel Hill, NC 27514
Telephone: 919-942-4778
